COMPARISON CHART

FEATURES	<i>BrickBond</i>	<i>MasonGrip</i>	<i>OMElite</i>
Packaging	 3.5 Gal Pail	 20 oz. Sausage	 Dry Mix
Composition	Type 1 acrylic-based adhesive	High viscosity MS Polymer	Polymer-modified cementitious mix
Application	Interior	Interior & Exterior	Interior & Exterior
Strength	Shear strength > 220 psi	Tensile strength 575 psi	Compressive strength 3,000 psi
Coverage	~ 262 square feet	~ 51 linear feet	~ 70 square feet
Working Time	Up to 45 minutes	10-20 minutes	Not specified
Resistance	Zero VOC, low odor	Waterproof, flexible, mold resistant	High flexibility, water vapor permeance
